

Energy Sense *Together We Can...*

Appliance & Lighting Rebate Program

Energy-efficient lighting and appliances benefit all Barron Electric Cooperative members and our system. By replacing old, inefficient lighting and appliances with ones that have earned the government's ENERGY STAR® rating, members help preserve energy sources and protect the environment while saving money. To help members save money on their energy bills, Barron Electric offers rebates on the purchase of qualifying ENERGY STAR products. Visit www.energystar.gov for information.

Appliance & Lighting Rebates

The following rebates are available when purchasing qualifying Energy Star appliances:

Appliances

Clothes Washer	\$25
Dishwasher	\$25
Dehumidifier	\$25
Freezer	\$25
Refrigerator	\$25
Room Air Conditioner	\$25

*The rebate is in addition to stimulus fund appliance rebates. Visit focusonenergy.com for more information.

Recycling

Refrigerator or Freezer Recycling	up to \$50
Window AC Unit	up to \$25

Lighting

CFL Bulb	\$1 Per Bulb
CFL Fixtures-hardwired	\$5 Per Unit
Cold Cathode Bulb	\$2 Per Bulb
LED Bulb	\$2 Per Bulb
LED Holiday Lights (strings or décor)	\$2 Per Unit
High-watt CFL (60+ watts)	\$5 Per Bulb
LED Outdoor Lighting	\$15 Per Fixture

Conservation Rebates

Occupancy Sensor	\$5 Each
Energy Saving Smart Strip	\$5 Each
Drain Water Recovery System	\$50 Per Unit
Low Flow Showerhead (2.5 gpm or less) ...	\$5 per Unit
Low Flow Faucet Aerator (1.5 gpm or less).	\$1 per Unit

See Terms & Conditions.

*conserve energy and improve
the quality of our environment*

Terms and Conditions

- Complete the form on the reverse side.
- This program provides rebates/incentives for the qualifying purchase and installation of products and/or services for members receiving electric service from BEC.
- Products and services must be purchased in 2010.
- Applicants will be accepted on a first-come, first-serve basis. Rebate incentive will not exceed the purchase price.
- A random inspection may be conducted to verify installations.
- All rebates/incentives will be issued in the form of a credit to the member's electric account.
- Please allow four to six weeks to process the rebate/incentive application.
- BEC reserves the right to deny or limit any rebate/incentive.
- Rebates/incentives are limited to the available funds and may be discounted before the end of the program period at the sole discretion of the Cooperative.
- Program expires 12-15-2010.

Forms

Forms are available at the cooperative office and at www.barronelectric.com.

For more information on energy efficiency/conservation program or savings opportunities, contact our Member Services Department.
