## Appliance & Lighting Rebate Program

*conserve energy and improve  
the quality of our environment*

Energy-efficient lighting and appliances benefit all Barron Electric Cooperative members and our system. By replacing old, inefficient lighting and appliances with ones that have earned the government's ENERGY STAR® rating, members help preserve energy sources and protect the environment while saving money. To help members save money on their energy bills, Barron Electric offers rebates on the purchase of qualifying ENERGY STAR products. Visit [www.energystar.gov](http://www.energystar.gov) for information.
