## **Commemorating Local Veterans**

Barron Electric Cooperative recently donated \$1,000 for a Veteran's Memorial at Wayside Cemetery, a project led by the Barron Kiwanis Club, City of Barron, Barron Cemetery Board, and local Veteran's organizations. The plan is to build a Veteran's Memorial commemorating all local veterans. This will be built around the current flagpole at Wayside Cemetery and will recognize all the branches of service. Barron Electric's General Manager Dallas Sloan said, "We are proud to recognize those men and women who have served our country and defended our freedom."

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric has served the rural area since 1936 and currently provides electricity to over 18,000 members.
