### **Increasing Safety**

Barron Electric Cooperative donated \$650 to the Prairie Farm Sheridan Fire Department to be used towards a rechargeable scene light. Lynn Bartlett, Secretary/Treasurer for the Prairie Farm Sheridan Fire Department, said, “The lights will be very useful for our department when we respond to fires and car accidents during the night. They can be set up very quickly and help with the safety of our firefighters.” The fire department includes 30 firefighters who cover 85 square miles and also provide mutual aid to 6 surrounding fire departments.

Funds for the Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric Cooperative has served the rural area since 1936 and currently provides electricity to more than 18,000 members.
