Barron Electric Displays Commitment to Community

Barron Electric Cooperative recently donated \$500 to the Rice Lake Area Free Clinic (RLAFC), which provides healthcare for uninsured and underinsured people of Barron, Rusk, and Washburn Counties. Mike Farrell, Clinic Director at the Rice Lake Free Clinic, said, "We appreciate your support of our work to care for the less fortunate in our community." The Rice Lake Area Free Clinic has been open for 4 years and has provided over 2,500 clinic visits. For more information and clinic hours, visit www.rlafc.org or call 715-736-FREE (3733).

Funds for the Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric Cooperative has served the rural area since 1936, and currently provides electricity to more than 18,000 members.
