Robin Fossum Wins Megawatt Community Service Award

Robin Fossum is the winner of Barron Electric's Megawatt Community Service Award. Robin serves as the President of the Board of Directors for the Chetek Area Historical Society. Her love for museums started at an early age when she visited the Smithsonian. The Chetek Area Museum provides a connection between today's Chetek and its fascinating past. A Research Room includes plat maps, newspapers, photographs, and Chetek historical information. The museum is open from Memorial Day through Labor Day, Tuesday through Saturday, from 1:00 - 4:30 p.m.

Robin is President of the Sons of Norway Dovre Lodge, an organization dedicated to the promotion and preservation of the heritage and culture of Norway. She serves as Secretary of the Board of Directors for the Red Cedar Symphony and is also a violinist for both the Red Cedar Symphony and the Eau Claire Chamber Orchestra.
