Donation Helps Boys & Girls Clubs of Barron County Continue Their Mission

Barron Electric Cooperative donated \$500 to the Boys & Girls Clubs of Barron County. Executive Director Deanna Aubart said, “We greatly appreciate the support. This donation will help pay for operating expenses and supplies.” The Boys & Girls Clubs of Barron County depend on contributions from the community to provide after-school activities and facilities for hundreds of young people in the Barron County area.

Barron Electric’s General Manager Dallas Sloan said, “One of the cooperative principles is concern for our community. We stand by this cooperative principle and are committed to improving the quality of life in the rural area.” Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric has served the rural area since 1936 and currently provides electricity to over 18,000 members.
