Barron Electric Cooperative will return over \$1 Million in capital credits to more than 11,500 current and former members. Barron Electric's Board of Directors approved retiring the remaining balance of 1995, as well as 69% of 1996. Since 1965, Barron Electric has retired more than \$25 million in capital credits. Capital credit checks will be available for those members and former members who received a postcard in the mail this month. Checks that are not picked up at the events will be mailed by the end of October.

Barron Electric Cooperative will be hosting a Cooperative Month event at Barron Electric's Spooner office from 11 a.m. – 1 p.m on Tuesday, October 4. Lunch and homemade ice cream will be provided. The Washburn County Sheriff's Department will be collecting unused medicine (pills only).
