## Helping Improve Dallas Park

“We are working hard to make the Dallas Park more enjoyable for individuals and larger groups,” said Committee Member Gary Borgen. Some of the improvements will include making the shelter more handicapped accessible and supplying additional playground equipment for older children. Barron Electric Cooperative recently donated \$500 to this project. Barron Electric’s General Manager Dallas Sloan said, “Our goal is to improve the quality of life in the areas we serve.”

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric has served the rural area since 1936 and currently provides electricity to over 18,000 members.
