## Helping Girl Scouts Provide Quality Programs

Barron Electric Cooperative recently donated \$500 to Girl Scouts of the Northwestern Great Lakes. Laura Martens, Fund Development Manager, said, “This donation will provide financial relief for many girls for whom the cost to attend camp may be prohibitive, and will also help us purchase key supplies that make camp safe, educational, and fun.” Barron Electric’s General Manager Dallas Sloan said, “We recognize the many opportunities that Girl Scouts provide.” Girl Scouts of the Northwestern Great Lakes was formed in 2008 and serves approximately 18,000 girls in 58 counties across northern Wisconsin and the Upper Peninsula of Michigan.

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric has served the rural area since 1936 and currently provides electricity to over 18,000 members.
