Rosmary Tireman Wins Megawatt Community Service Award

Meet Rosmary Tireman, Barron Electric's winner of the Megawatt Community Service Award. Rosemary's love for animals led to her to become a charter member of the Humane Society of Barron County and the President of the Board. This same passion fostered her to volunteer for PAWS, a neuter/spay assistance program where she serves as Vice President. These non-profit organizations operate solely on donations, and Rosemary is very active in fundraising for both organizations. She also volunteers at the Cupboard & Closet, a used clothing store in Barron. Rosmary is an active member of her church where she helps with the Sunshine Committee. She is considered the official holiday baker for DayBreak, which is a group activity and respite care program for people with early to mid-state Alzheimer's disease or related memory disorders. DayBreak is available in Barron and Rice Lake.
