## Donating to the Scholarship Fund

Barron Electric Cooperative recently donated \$500 to the Shell Lake Arts Center for their scholarship fund. Tara Burns, Executive Director, said, “We greatly appreciate Barron Electric’s support. The scholarship program would be impossible without your generosity.” Shell Lake Arts Center draws visitors from the United States, as well as internationally. Their mission is to provide quality creative arts education and enrichment experiences for a diverse population of youth and adult learners. For more information, visit them on the web at [shelllakeartscenter.org](http://shelllakeartscenter.org) or find them on Facebook.

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric has served the rural area since 1936 and currently provides electricity to over 18,000 members.
