\$1,000,000 Match Will Continue to Build Awareness of Environment

Hunt Hill Audubon Sanctuary attracts thousands of visitors annually who enjoy the nature trails, discover new hobbies and skills, and enjoy the benefits of spending time in nature. Dave and Carolyn Cleveland wanted to help the Friends of Hunt Hill create a more stable financial base, so they pledged to match every dollar raised, up to one million dollars. “We appreciate the support of the community. We are getting closer to our \$1,000,000 goal which will help support Hunt Hill’s long-term viability,” remarked Nikki Janisin, Executive Director at Hunt Hill.

Dallas Sloan, Barron Electric’s General Manager, commented, “We are pleased to help Hunt Hill continue their mission of promoting understanding, appreciation and protection of the environment.” Barron Electric’s \$3,000 donation includes a match from Barron Electric’s lender, CoBank, who administers the Sharing Success Program. The program is designed to match the contributions of CoBank customers to the charitable groups they support throughout rural America. Funds for the Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric Cooperative has served the rural area since 1936 and currently provides electricity to more than 18,000 members.
