Donation Helps to Upgrade the Barron Municipal Pool

Barron Electric Cooperative recently donated \$1,000 to the City of Barron to help upgrade the municipal pool. The Barron Municipal Pool was built in 1971 and needs improvements to make the pool safer and more inviting. Upgrades include the replacement of the current slide and the addition of a kiddie slide. Each summer, the pool draws hundreds of families from the Barron community and surrounding areas. The pool is open from 11:30 a.m. – 7 p.m. daily, weather permitting. Sue Hanson, who serves on the Barron Municipal Pool Fundraising Committee, said, “We greatly appreciate the community support of this project.” Donations are still needed, and can be mailed to the City of Barron, P.O. Box 156, Barron, WI 54812.

Funds for Barron Electric donations are derived from the Federated Youth Foundation, an administrative trust overseeing unclaimed capital credits of former members. Barron Electric has served the rural area since 1936, and currently provides electricity to over 19,000 members.
