## **Josh Johnson Wins Megawatt Community Service Award**

The person nominating Josh Johnson wrote, "On top of an incredibly busy schedule, Josh volunteers more time than any person I've ever met. Whether it's with the Boys & Girls Club, Leadership Barron County, UW-Barron County, or Chamber of Commerce, he always finds time to give back to the community." Josh has been involved with the Boys & Girls Club for the past 8 years. He has served as President, on the Executive Committee, and as Interim Director. Josh said, "Of all the organizations, I'd have to say that the Boys & Girls Club is closest to my heart. Every year it provides over 1,000 area youth with the tools and resources to become productive, caring, and responsible citizens." He also sits on the board of directors for the Rice Lake Chamber of Commerce and Leadership Barron County and is the treasurer for the UW Barron County Foundation, which raises funds for student scholarships and campus enrichment projects. Josh is the General Manager for the Don Johnson Auto Group, which has locations in Rice Lake, Hayward, and Cumberland.
