### ELIGIBILITY CRITERIA

Barron Electric Cooperative offers a free Smart Electric Vehicle Charger to members who purchase an electric vehicle and meet the requirements listed below. The charger works with all J1772 complying cars, as well as Tesla vehicles using Tesla's charging adapter.

A \$400 rebate is available to members who choose to purchase an alternative charger.

- Credit Eligibility  Yes  No  Annexed    Rebate for:  Residential  Seasonal
- Equipment must be installed on cooperative's lines and may be inspected periodically.
- Members who receive a free Smart Charger or purchase an alternative charger must participate in the load management program which interrupts charging from 2 p.m. – 9 p.m. *This Strategy is not interrupted on weekend or holidays, except during a full load control.*
- Members purchasing an alternative charger must schedule an appointment with Barron Electric to install a radio receiver before receiving the rebate.
- Participation in this load management program does not qualify for a special rate.
- Member usage data will be collected by software within the Smart Charger.
- If the charging station is not installed correctly, neither Barron Electric nor the manufacturer will cover the cost of replacing or repairing the unit.
- The Smart Charger has a 3-year parts warranty. Please contact Zef Energy or Clipper Creek for any warranty questions.

**Please submit the following:**

- Proof of vehicle purchase
- Copy of vehicle registration
- This completed form
- If Purchasing Alternative Charger – Copy of Receipt
