ELIGIBILITY CRITERIA & REQUIRED INFORMATION:

Eligibility:

- Equipment must be purchased & installed in 2026 on cooperative lines.
- Rebate not to exceed the equipment cost.
- Participation in the **load management** is required, with the exception of **Heat Pump Water Heaters**. A radio receiver will be installed free of charge on the electric water heater. The receiver conserves electricity by shutting off the water heater during peak demand times. Control times will vary depending on the size of the water heater.
- Rebates for electric water heaters will be processed after the radio receiver is installed.
- Electric water heaters on special rates do not qualify for incentives.
- Members receiving a monthly water heater credit will forfeit the credit.
- Incentives must be submitted no later than 3 months after purchase or install date.
- Rebates are valid through December 11, 2026, or until funds are depleted

Required Materials:

- A copy of your receipt or invoice for each item, purchases must be in 2026, with purchase date listed
